Good morning,

Norfolk Minerals and Waste Local Plan: Publication of proposed Main Modifications and Additional Modifications Invitation to make representations

I am writing to inform you that the County Council has published the proposed Main Modifications of the Norfolk Minerals and Waste Local Plan (NM&WLP). These have been published to allow representations on the soundness and legal compliance of the Main Modifications to be made, over an eight-week period, between **9am on 17 October to 5pm on 13 December 2024**. [View and respond to the proposed Main Modifications](#)

The draft Norfolk Minerals and Waste Local Plan (NM&WLP) was submitted to the Planning Inspectorate in December 2023 for examination. Examination hearings led by an independent Inspector appointed by the Secretary of State took place in July 2024. As set out in the hearings there are a number of main modifications required to the Plan in order for the Inspector to consider it sound and legally compliant. Proposed Main Modifications have been prepared and Norfolk County Council has been notified by the Inspector that the representations period on these modifications can proceed.

The Main Modifications are proposed without prejudice to the Inspector's final conclusions on the NM&WLP which will consider the representations submitted. The Main Modifications have been subject to updated Sustainability Appraisal (SA) and Habitats Regulations Assessment (HRA) which are also available for representations to be made on, along with consequent Policies Map changes. [View the supporting evidence documents](#).

Representations on the Main Modifications should only be made regarding legal compliance and soundness issues. The Inspector will only consider representations which relate specifically to the proposed Main Modifications and the updates to the SA and HRA before reaching his final conclusions on the NM&WLP.

Following the end of the representations period, all duly made representations received about the proposed Main Modifications will be submitted to the Planning Inspector and considered as part of the Examination.

Alongside the Main Modifications, a schedule of [proposed Additional Modifications](#) is also being published for information and comment until 5pm on 13 December 2024. The proposed Additional Modifications do not form part of the examination of the Plan. They are minor changes factual changes which Norfolk County Council intends to make on adoption of the NM&WLP.

These documents are available for public inspection via the County Council's NM&WLP examination website at: <https://norfolk.oc2.uk> .

The documents are alternatively available to view for public inspection **by appointment**, free of charge, within normal opening hours during the representations period, at:

Where possible the County Council would prefer representations to be made directly to <https://norfolk.oc2.uk/> however, responses by post (to Planning Services, Norfolk County Council, County Hall, Martineau Lane, Norwich, NR1 2DH) and email (to LDF@norfolk.gov.uk) will also be accepted. [View the statement of representations procedure and the representations form](#)

Any representations that you make will be published on Norfolk County Council's website.

All representations, using whatever method, must be made by 5pm on 13 December 2024. Late representations will not be accepted.

Representations may be accompanied by a request to be notified, at a specified address, of any of the following:

- the publication of recommendations of the Planning Inspector appointed to carry out the independent examination of the NM&WLP
- the adoption of the Norfolk Minerals and Waste Local Plan

Any enquiries should be made to LDF@norfolk.gov.uk.

Kind regards

Communities and Environment

Design Code for South Norfolk and Broadland

Dear Sir/Madam,

Thank you to all those that have already responded to the online survey relating to the district-wide Design Code for South Norfolk and Broadland, as per the email below.

The survey will be available until **5pm on Monday 11th November**, so there is still just over two weeks to go until the consultation finishes. Therefore, if you are interested in having your say on the vision and the priorities and opportunities for different area types in either district, then please ensure you complete the survey, which you can access here:

<https://southnorfolkandbroadland.placechangers.co.uk>

If you represent a Parish/Town Council that is developing or has already produced a Neighbourhood Plan, which includes its own Design Guide/Code, then it is worth noting that this District-wide Design Code will seek to complement your local document. We are therefore still very keen to get your views on the District-wide Code as part of this consultation.

As stated previously, if you wish discuss this piece of work further or if you have any queries, please contact the Councils' Place Shaping Team on (01508) 533805 or at localplan.snc@southnorfolkandbroadland.gov.uk.

Yours sincerely,

Senior Community Planning Officer
